

The Symphoni is an extremely efficient wall sounder well suited for large installations where ultra-low current is critical. There is a standard version, providing UK alarm tones and an "E" version that has tones including the German DIN tone and the Netherlands Slow Whoop.

An IP66 rated WP version is also available.

Features

- Low 5mA current consumption
- 100dB(A)
- Automatic synchronisation
- Weatherproof option

Benefits

- Maximises the number of devices on a system
- Certified for Fire use
- Improved tone clarity, reducing confusion
- Suitable for outdoor use

Technical Specification
