

SMOKE CHECK[®] ✓

UL Listed since 1979
The original & still
the BEST!

SIGNALING

LISTED
Fire Alarm
Equipment
60S9

PRODUCT CODE

TST-4000

DESCRIPTION

SmokeCheck[®] tests both photoelectric and ionisation smoke detectors to ensure circuitry, alarm and power is functioning and they are actively sampling the air for any hint of a fire. This smoke detector tester is 100% EPA compliant and environmentally friendly.

Designed, and suitable for testing smoke detector function as per BS5839-1:2013 Section 6 and when used as directed, our formula simulates the entire range of fire conditions – giving you confidence to know your fire alarm system will respond promptly to all fire conditions.

BENEFITS

- Safe on sensors
- Fits into most leading test poles
- Leaves no residue
- Ozone Safe - Environmentally Friendly
- UL/ULC listed
- Alarm manufacturer approved
